I would recommend reading the first book in the series, Just One Damned Thing After Another, to get a feel for what this series is. Know which is. You can publish your book online for free in a few minutes.

Meanwhile, men in positions of power tend to direct developmental opportunities

Regardless of the disappearance of the East-West confrontation, the arms race, instead of ceasing, has not even diminished, and the astronomical figures invested in sophisticated weapons are offensive to the pain and frustration of thousands of millions worldwide, who would witness a considerable improvement of their bitter existence with just a small per cent of the resources presently being spent for the brutal purpose of fabricating weaponry. Shoeboxes in the forest. Noting that parents and teachers have the responsibility of safeguarding children and teaching them

the skills they need to be safe, this pamphlet, in Spanish and English versions, is designed to help parents talk to their children about how to protect themselves against abduction and exploitation.
